

ABITA BLUES

The Band

The Abita Blues Band can be found playing their special brand of funk and blues at festivals and clubs around Louisiana and beyond. Part swamp boogie, part delta blues, and always funky, Abita Blues keeps 'em coming back for more.

Abita Blues takes time between sets to take in the sights at Disney.

On The Road

Abita Blues just returned from Disney's Epcot *International Food & Wine Festival* as the premier band representing Louisiana at the grand opening of the Louisiana Exhibit in Epcot.

Other venues and festivals that they have visited include the Mandeville Seafood Festival, Jefferson Parish Family Gras, Crescent City Classic, live broadcasts on WWOZ and RADIO HOLSTEBRO in Denmark, Tab Benoit's Music Café, and Ruby's Roadhouse, to name a few.

The Sound

Abita Blues has a number of original songs, such as *Junkyard Dog*, *Blue Tattoo*, and *Dance in Your Slip* that are quickly becoming favorites with fans. The set list also includes their own version of traditional blues tunes, including *Red House*, *Crossroads*, *MoJo*, *Hey Pocky Way*, and many more that incorporate the street beats of New Orleans Funk and warm tones of Delta Blues.
